SMART INDIA HACKATHON 2024

- Problem Statement ID – **SIH1588**
- Problem Statement Title - **“Marg-dharshak”**
- Theme – **Student Innovation**
- PS Category- **Software**
- Team ID -
- Team Name – **Tech Titans**

Marg-dharshak

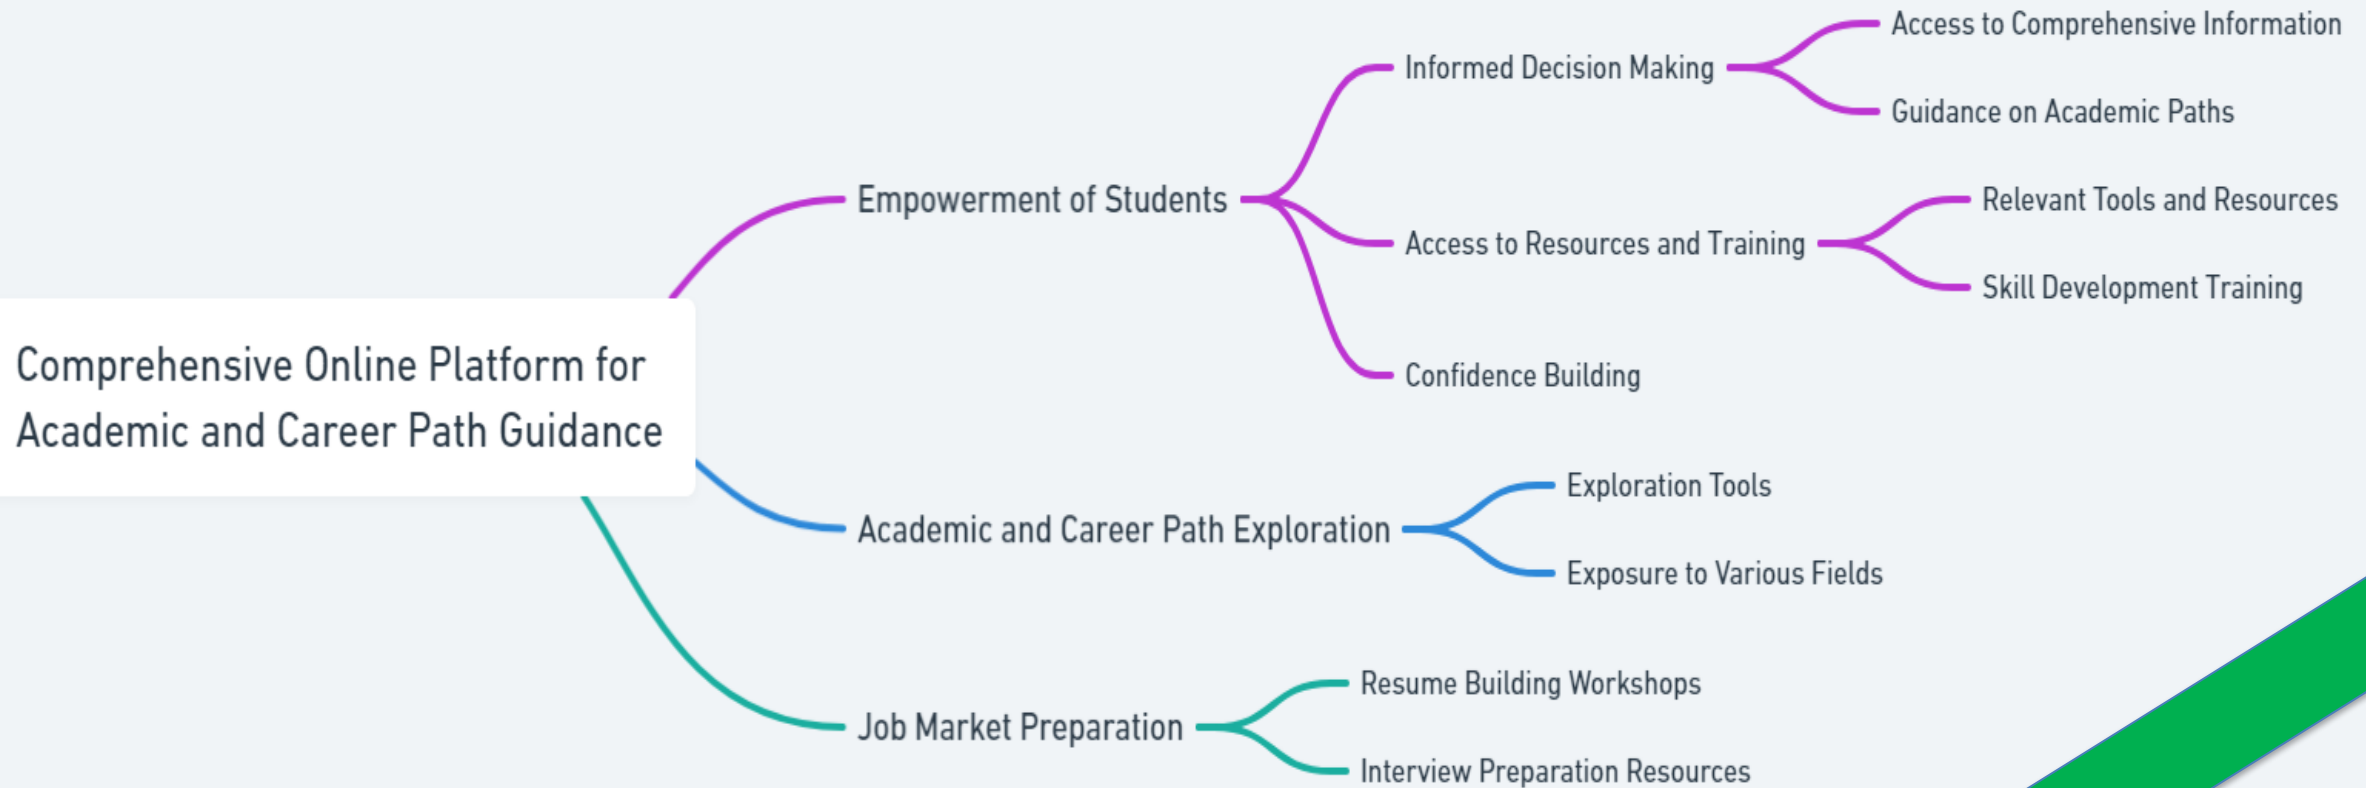

❖ Problem statement

- How might we create an online platform that empowers students to make informed engineering stream choices, access relevant resources, and develop skills to secure their dream placement?"

❖ Proposed Solution

- "Empowering informed educational stream choices for a successful career"

➤ Mind map

FEATURES

- **Personalized Career Roadmap**
- **Career Progress Tracking**
- **Resource Library**

TARGET AUDIENCE

- Students who have completed schooling and are looking to choose a stream for engineering
- Students currently pursuing engineering and looking to prepare for placements
- Parents and guardians seeking guidance for their children's stream selection and placement preparation
